

SUIGEN Holding acquired 100% of Laboratorios F5 PROFAS, S.L.

SUIGEN

SUI GENERIS

SUIGEN Holding completes its first acquisition in Spain buying Laboratorios F5 PROFAS, a pharmaceutical company specialized in diagnostic, healthcare, dermocosmetic and pharmaceutical products.

F5 PROFAS has presented an ambitious and challenging business plan, forecasting yearly sales of more than EUR 10 million for the next 5 years, by a combination of organic growth and potential acquisitions of products in selective therapeutic groups.

SUIGEN

Swiss based SUIGEN Holding has acquired 100% of **Laboratorios F5 PROFAS, S.L.**, owned by its founder and current Managing Director, Juan José Rueda. Boltendahl Business & Strategy initiated the transaction and acted as SUIGEN's exclusive financial advisor.

SUIGEN Holding is formed of a group of Swiss pharmaceutical entrepreneurs that acquire and manage growth projects in Western Europe. SUIGEN's focus is on the latest healthcare and pharmaceutical product developments, product marketing and distribution.

F5 PROFAS

LABORATORIOS F5 PROFAS S.L. is a renowned pharmaceutical company founded in 1994, based in Madrid and fully authorized by the Spanish Drug Regulatory Agency.

The company is focused on the promotion, commercialization and distribution of pharmaceutical, diagnostic, dermo-cosmetic and healthcare products in Spain and Portugal. PROFAS is a leader in the field of self-diagnostics and the owner of the well-known "GESTATEST" pregnancy test.

With the support of sales-agents distributed throughout the national territory, PROFAS focuses on the promotion and marketing of its products to the pharmacy channel and to its institutional clients.

Alain M. Cortesi, an executive with an extensive and successful track record in managing international pharmaceutical companies and current CEO of the SUIGEN Group, has been appointed as Chairman of the Board of F5 PROFAS.
